Special Funding Request For Replacement of King-Merritt Street Signs

You may not realize that the distinctive King-Merritt street signs are **NOT** supplied by the Town, but were purchased by **King-Merritt Community, Inc.**, our neighborhood association.

James Micik has done an outstanding job over the years maintaining the signs, either arranging for necessary work to be completed or doing the work himself. Our signs have had their fair share of damage from car accidents to snow plow incidents to vandalism...and the major storm this past March has destroyed quite a few.

It is time to start replacing the signs. The estimate for the replacement cost of the signs would heavily deplete our reserve funds.

Please help defray the cost — and help address the storm damage — by adding **\$10.00** to your dues payment to go towards the Street Sign Replacement Fund.

Statement of Membership Fees

2010 Membership Dues	\$35.00
